## DOMINION ORDERS IN COUNCIL.

[Ref. 1,666,832.]

AT THE GOVERNMENT HOUSE AT  
 OTTAWA,

Saturday, the 26th day of September, 1908.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR-GENERAL.

THE Minister of the Interior reports under date the 15th September, 1908, that an application has been made by the Surrey Agricultural Association of British Columbia for an unconditional grant of Legal Subdivision 4 of Section 16, Township 8, East of the Coast Meridian, which was patented to it on the 26th July, 1894, subject to the land being used for agricultural fair purposes, under the authority of the Order in Council dated the 21st October, 1893, amended by the Order in Council dated the 23rd January, 1894, and has surrendered the lands so patented to His Majesty King Edward the Seventh.

The Minister observes that there is no provision of the law under which an unconditional grant of the land in question might be made to the Association and he, therefore, recommends, as it would appear that it is essential to the best interests of the Association that it should obtain title to the said Legal Subdivision without the restrictions imposed in the original letters patent, that the sale be authorised of Legal Subdivision 4 of Section 16, Township 8, East of the Coast Meridian, to the Surrey Agricultural Association of British Columbia, at the minimum rate of \$1.00 per acre.

The Committee submit the same for approval.

RUDOLPHE BOUDREAU,

If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred

copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

Under a new rule, see Journals 7th March, 1908, in the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in rule 57, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.
